

Together we get the job done.

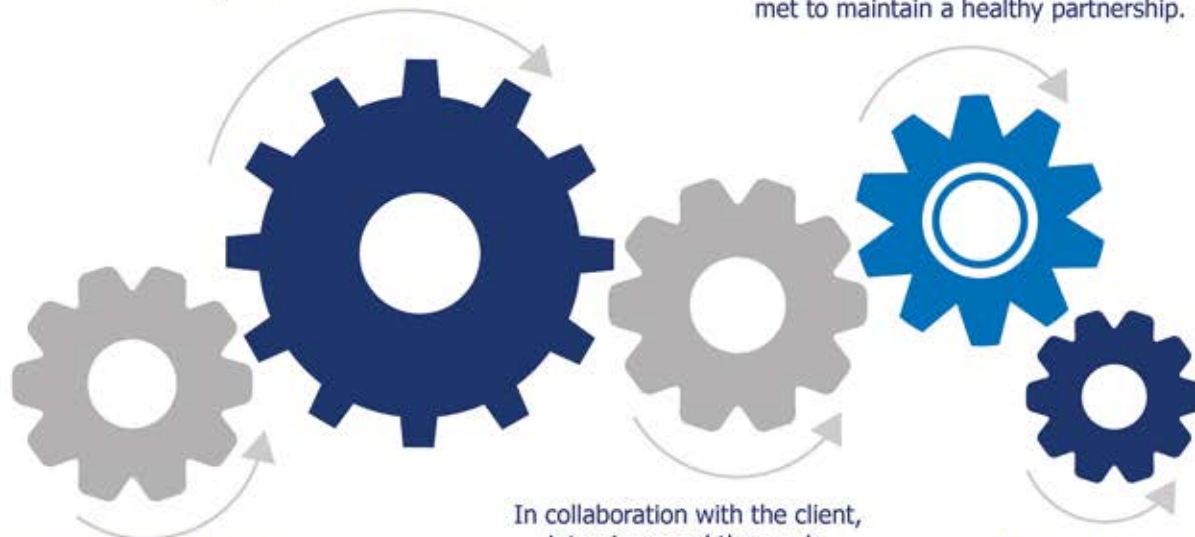

We deliver strategic recruitment and staffing solutions for growing companies while offering rewarding careers and opportunities for our employees, consultants, and team members. **Our focus is connecting client partners with personalized solutions to support current business needs.**

We are committed to building trusted relationships through our core values: **Accountability, Transparency, Integrity, & Excellence.**

The FootBridge Way

Technical Recruiters source and qualify the best candidates personalized to the client needs.

Hiring and onboarding process begins. FootBridge works to make sure the needs of the employee are met to maintain a healthy partnership.

Client Business Manager discusses client's challenges and identifies qualifications of candidates who could provide a solution.

In collaboration with the client, interviews and thorough reference checks are conducted to spotlight the ideal employee.

The employee is integrated into the client's team. Together we get the job done.

SUCCESS STORY

"A terrific and **responsive resource**, FootBridge helped manage details I subsequently did not have to handle, allowing me to operate virtually with no worries at all! They are a group of **efficient, communicative, and collaborative team players**, and a **valuable corporate asset.**"
